### Course Description:

This Robert Presley Institute of Criminal Investigation (ICI) Core Course is the prerequisite for all subsequent ICI Foundation Specialty Courses within this program. The core course is designed to enhance the effectiveness of the individual criminal investigators skills in performing the multi-disciplined, multi-leveled tasks necessary to successfully conduct comprehensive criminal investigations. Instruction in this course is provided through a coordinated, experience-based adult learning approach which addresses crime scene management, interviewing and interrogation skills, search and seizure issues, search warrant preparation, surveillance techniques, case reporting, informant management, media relations, case reporting and courtroom testimony. Students will engage in practical application exercises throughout this course and be required to satisfactorily complete case work and a search warrant.

### Learning Outcomes:

- Manage and reconstruct a crime scene
- Organize and employ the skills involved in case management
- Demonstrate the ability to work with victims and witnesses through the effective application of interviewing and interrogation techniques
- Identify and access useful sources of information
- Validate their work through documentation and case presentation

### Requirements:

Students are required to bring a laptop computer for use in this course. Students also required to complete the Search Warrant Fundamentals- POST Learning Portal Online Training Course (certificate of completion required on first day of class). Basic Academy Certificate and DOJ Clearance required.

**Post Reimbursement:** Plan IV Travel and per diem reimbursement for POST reimbursable agencies.
