

SPECIAL WEAPONS & TACTICS (BASIC SWAT COURSE)

March 15-26, 2027

CCN: 1261-23000-26-003

**Northern California Regional Public Safety Training Center
In Partnership with
Federal Bureau of Investigation Sacramento Field Office**

Date/Time: Monday, March 15 through Friday, March 26, 2026 (80 hours)
0800-1700 Hours Monday-Friday

Statement of Purpose: The objective to establish a basic standard to serve as an efficient core set of concepts and principles that improve standardization within the profession of tactical law enforcement services.

Description: This 80-hour Basic SWAT course is designed for individuals or teams. Attendees must be full-time, sworn peace officers who are sponsored by their department and assigned to, or anticipated to be assigned to, a SWAT team. The course is physically demanding, and attendees must be in excellent physical condition. Instruction focuses on tactical procedures and weapons skills needed to function as a SWAT team member. Topics include team organization, team member functions, dynamic and deliberate clearing techniques, chemical agents, breaching, and practical scenarios. This course complies with California POST recommendations for the Basic SWAT Course, as mandated by California Penal Code Section 13514.1.

Location: The course will be held at the Northern California Regional Public Safety Training Authority Training Facility, 4701 Forcum Avenue, McClellan, CA (Sacramento). See Map.

POST: This course is P.O.S.T. Plan IV certified. **Tuition: \$1,200.00**

Registration/Fees: To attend the course, students must be enrolled through NCRPSTA and tuition must be paid in advance.

- 1) Tuition and materials fee: **\$1,200.00**, payable to the Northern California Regional Public Safety Training Authority at least two weeks before the course.
- 2) To register, contact NCRPSTA at registration@ncrpsta.com or (916) 808-1532; NCRPSTA will provide an invoice and place students on the course roster or wait list after enrollment is complete.

Mandatory Equipment:

1. Department SWAT uniform or similar clothing.
2. Lace-up, over-the-ankle boots.
3. SWAT operational kit.
4. Chemical protective mask.
5. Four (4) diversionary devices (flash bangs) per student; one must be deployed to receive a Certificate of Completion.
6. Weapon cleaning equipment.
7. Notebook and pen.

Weapons: Each student must have passed their departmental qualification course for both their issued handgun and submachine gun and be familiar with the weapons, to include assembly and disassembly.

The following weapons and ammunition are REQUIRED for the course:

1. Handgun with minimum of three magazines.
2. Long gun with a minimum of two magazines and a Simunition conversion kit, or a separate Simunition-converted long gun. Airsoft is an acceptable alternative.

Ammunition:

1. 500 rounds handgun ammunition (range use)
2. 1000 rounds rifle (.223)/submachine gun ammunition (range use)
3. 100 rounds .223/SMG caliber Simunition (marking cartridge or CQT) ammunition (shoot house use)

There are no loaner weapons available for this course.

STUDENTS WILL NOT BE ABLE TO COMPLETE THE COURSE WITHOUT A SIMUNITION MODIFIED LONG GUN.

Mandatory Safety Equipment: Each student MUST have the following items for safety purposes:

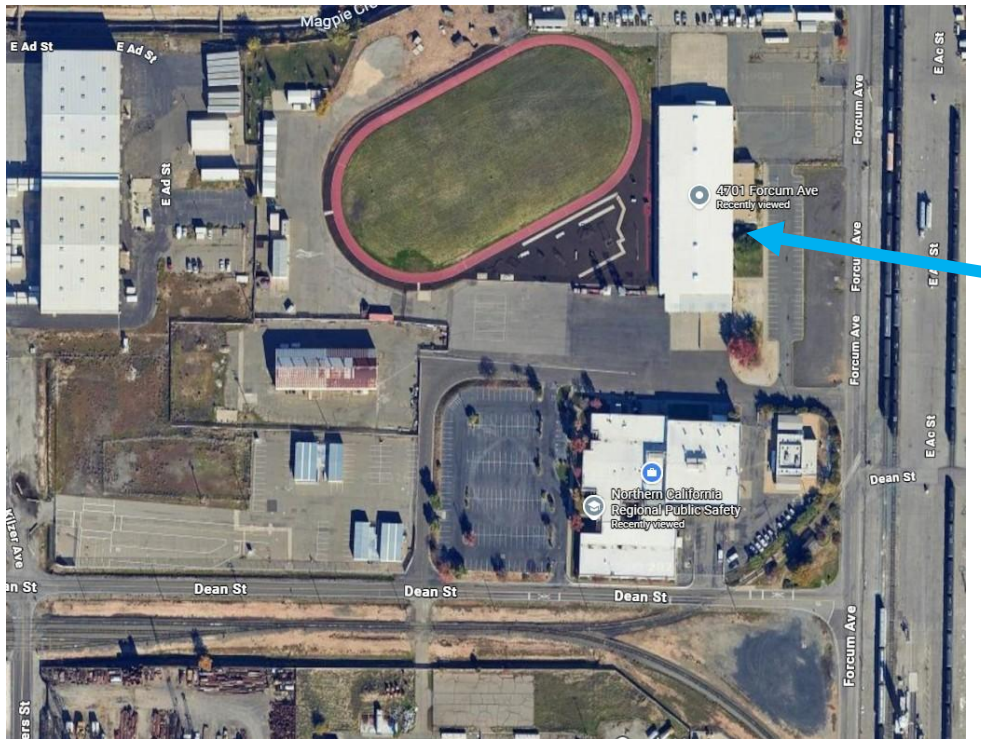

1. Department-issued ballistic body armor.
2. Nomex (fire-retardant) gloves.
3. Ear protection compatible with ballistic helmet.
4. Ballistic helmet.
5. Ballistic goggles or wraparound eye protection.

Recommended Equipment:

Water container, sunscreen, and sunglasses.

Optional Equipment: If team members desire to train on department team equipment (ballistic shields, mirrors, etc.) students are welcome to bring them.
