### Course Description:

The Robert Presley Institute of Criminal Investigation (ICI) Officer Involved Shooting, Inv Course is a 40-hour ICI Elective Course designed for peace officers who are currently assigned or will be assigned to investigate officer-involved shooting and in-custody death investigations. This course is designed to enhance the effectiveness of the individual criminal investigator's skills in performing the multi-disciplined, multi-leveled tasks necessary to successfully conduct a comprehensive investigation including officer-involved shootings, use of force incidents, and in-custody death investigations. Instruction in this course is provided through a coordinated, experience-based adult learning approach addressing various course topics including procedural justice and stakeholders, investigative bias, use of force law, human factors, administrative investigations, crime scene management, digital forensics, video evidence and seizure, in-custody death investigations, contemporary critical incident case studies and role-playing practical exercises.

### Learning Outcomes:

- Manage and reconstruct a crime scene
- Organize and employ the skills involved in case management
- Demonstrate the ability to work with victims and witnesses through the effective application of interviewing and interrogation techniques
- Validate their work through documentation and case presentation

### Requirements:

- Minimum 1-year investigative experience or current assignment as an investigator or investigative unit supervisor/manager
- Successful completion of a minimum of 80 hours of general or specialized investigator training
